*Construction - The construction featured throughout the Collection consists of wood, wood veneers and select wood product, including solid wood bases. Cases feature mortise and tenon construction with wood cleats, glue, screws, staples and threaded inserts with bolts. Drawers feature dovetail engineering and are constructed with solid wood sides and backs with veneer and veneer banded fronts and 3-ply bottoms. Drawer interiors are sealed.*

*Function - All drawers are suspended on fully extending, metal, ball-bearing slides allowing easy access to the entire drawer. Box drawers have a 75 lb. load bearing rating. File drawers have a 150 lb. load bearing rating. File drawers are equipped with metal rods for side-to-side letter or front-to-back legal hanging files.*

*All desks, credenzas and file cabinets have adjustable levelers. Cable grommets or other openings are strategically located on specific items to facilitate neat and easy cable management.*

With its striking Sapele Pommele veneers, rich Sunset cherry finish and subtle Shaker influences, Del Mar is a handsome, transitional alternative to the customary traditional office environment. Its wood, wood veneer and select wood product construction will hold up to those demanding value, and its deep assortment of office furnishings will provide solutions for a multitude of office needs.
